**Expansion of Strategic Partnership with Shell Marine Lubricants  
*Makes World Fuel Services the Official Distributor of Shell Marine Lubricants in France***

**April 16, 2020 – MIAMI** – World Fuel Services (“WFS”) is proud to announce that it is now the official distributor for Shell Marine lubricants in France, making it responsible for the sale, supply and distribution of marine lubricants to international and domestic customers.

With the addition of France, WFS further strengthens its Shell Marine lubricants distribution network, which also includes Gibraltar, Spain, and Argentina.

With strategically located packed and bulk warehouses throughout France and a flexible supply infrastructure, WFS is very well placed to meet customer demands and consistently deliver product within short lead times.

Harry Murphy, Vice President, Commercial Services, WFS, commented: “This is a further evolution of the existing strong relationship with Shell Marine Lubricants and compliments our growing marine fuel and lubricants supply in the region.”

**En Français**

World Fuel Services («WFS») est fier d'annoncer sa nomination en tant que distributeur officiel des lubrifiants Shell Marine en France. Cet accord couvre la vente, la fourniture et la distribution des lubrifiants marins aux clients internationaux et locaux. WFS renforce ainsi son réseau de distribution de lubrifiants Shell Marine, qui outre la France comprend également Gibraltar, l'Espagne et l'Argentine. Grâce à la mise en place d'entrepôts de produits en vrac et conditionnés stratégiquement situés dans

toute la France et à une logistique flexible, WFS est idéalement placé pour répondre aux demandes des clients et assurer les livraisons dans les meilleurs délais.

Harry Murphy, vice-président des services commerciaux, a commenté : « Il s'agit d'une nouvelle étape du solide partenariat existant avec Shell Marine Lubricants, celle-ci vient compléter notre offre toujours croissante dans la région tant au niveau des carburants que des lubrifiants marins. »
